Wish List

- A. Capital Improvement
- Repair front steps of school entrance (\$8,000)
 - Purchase and Installation of a flag pole (\$12,000)
- B. After School Learning Academy Program Expenses (per year)
- Gifted and Talented (\$9,600)
 - Music and Theater (\$7,680)
 - Academic Intervention (Tutoring) (\$13,440)
 - After School Care (13,040)
- C. St. Jerome Children's Scholarship Fund (\$2,800 per year or \$280 per month)
As an inner city Catholic elementary school, St Jerome does not receive tuition funding from local or state government. Although tuition is charged—approximately \$2,800 per child—tuition alone does not cover the cost of educating each child. In addition to fundraising to cover general operating expenses, we have actively pursued scholarships for students.
- D. Adopt a Classroom - \$7,500 per year
Seed a fund to be used for classroom upgrades. Our teachers would make requests to the Principal for improvements to the classroom that would directly impact their ability to teach. Examples include requesting new microscopes for the science lab, a new typing program for the computer lab, or a new world map for the social studies room. It could also be used for requests to underwrite educational field trips.
